In the heart of Namibia, where adventure begins, and stories are made.

A WARM WELCOME FROM HENDRIK

Hello friends, Hendrik here. I want to personally welcome you to our July update — a month that's been as rewarding as it's been busy. Our teams have been out in different parts of the south with hunters from across the globe, enjoying incredible springbok activity and making unforgettable memories. We've also been working hard behind the scenes opening our new shop, which we'll share more of soon! Thank you for following our journey. You are part of our story — and we never take that for granted.

The Bush Telegraph

Winter is loosening its grip and spring is slowly stirring. We've had a bit of rain — the last of the winter drizzle — and the mornings and afternoons are now warm, calm, and full of promise. With big herds of springbok moving through the south, and international hunters keeping our teams busy across multiple regions, it's been a vibrant and active season. From eland to giraffe, warthogs to oryx — July has delivered some memorable moments for all our guests.

Thoughtful Conservation

As custodians of the bush, we walk softly and hunt ethically. Every outing is rooted in sustainable practice and deep respect for the land. Our goal is not just the hunt — it's to protect and preserve these wild places for generations to come.

Thought for the month

"When you step into the wild, you step out of time. Nature teaches patience, humility, and gratitude."

Smile of the Week

While catching a quick bite waiting for a kudu near the koppies, one of our rangers caught a baboon casually helping himself to a hunter's sandwich — wrapper and all! He even gave us a cheeky look before vanishing into the trees, sandwich in hand. Lesson learned: baboons have no table manners!

Thank You

A heartfelt thank you to every client, every hunter, and every friend who has joined us this season. Your trust means the world, and we're truly grateful to walk this journey with you.

Don't forget to scroll through this month's gallery, a celebration of successful hunts, scenic sunsets, and the memories that make this all worthwhile.
 Warm regards,
 Hendrik, Trudi & the Team
