SMILE FOR THE WEEK

WELCOME

Welcome back to our little piece of paradise, where the African bush never ceases to amaze. It's been another action-packed week here at Hendrik & Trudi Safaris, filled with exciting hunts, breathtaking tours, and cherished moments. Here's a glimpse of what we've been up to!

WEATHER WATCH

The weather in Namibia has been scorching this week, with only a few clouds floating across the clear blue sky. While the sun has been intense, it hasn't slowed us down. Guests have been keeping cool with early morning activities and shaded rest stops during the day, soaking up every bit of the Namibian experience under the radiant sunshine.

GUESTS FROM GERMANY

Guests from Germany – Two Epic Adventures
This week, we had the pleasure of welcoming a group of wonderful clients all the way from Germany. The group split into two, with some guests embarking on an exciting trophy/ selection hunt, while the others joined us for the unforgettable "12 Days in Heaven" tour with our experienced guide Bianca. It's been a joy hosting them and seeing their amazement as they experience Namibia's beauty firsthand.

PH DIAIRY - HENDRIK

Our trophy hunting expedition was a great success! Operating from our base in the Omitara region, just an hour's drive from the airport, we completed several memorable hunts.

The hunters returned with impressive trophies, including a giraffe, waterbuck, oryx, warthog, and kudu. These moments were not just about the hunt but about connecting with nature, embracing the thrill of the chase, and ensuring sustainable game management for the region. Meanwhile, we also carried out selection and meat hunting to maintain the balance of wildlife around Omitara camp and provide for the local community. It's always satisfying when our hunts serve a greater purpose.

12 DAYS IN HEAVEN

12 Days in Heaven Safari - round two...

Bianca, an integral part of our team, is currently guiding her second group on the 12 Days in Heaven tour. This journey takes guests from the Okavango Delta through Maun, Kasane, and ends in Windhoek, giving them a taste of Southern Africa's most iconic landscapes. Her experience and enthusiasm make each tour special, and we are thrilled to see how much our guests enjoy traveling under her guidance. SMILE OF THE WEEK

The beauty of this week wasn't just in the trophies secured, but in the camaraderie and joy that filled each day. There's a certain magic in the bush when a hunter achieves their goal after hours of patience, or when guests share stories by the fire under a starlit sky. These are the smiles we carry with us, knowing that every experience here creates a lifetime of memories.

FINAL THOUGHT

Thank you for being part of our journey! We look forward to bringing you more stories, reflections, and exciting updates in our next newsletter. Until then, remember to embrace every moment and cherish life's adventures. Another beautiful day in Africa awaits. Warm regards, Hendrik & Trudi
